TIM'S THOUGHTS

Friends and Neighbors,

I would like to congratulate 3rd Ward Alderperson Ebony Sherod on the purchase of a new home. Unfortunately, it is located outside of our city's boundaries. Ebony will be serving on our Board through January at which time Esther Rhodes has volunteered to serve to finish out Ebony's term. We wish Ebony good luck in all her future endeavors.

We wish a Happy Retirement to Charlie Marvin, the detective with the Lakeshire Police Department since 2006

As winter approaches, please remember that when two inches of snow falls, our snow removal team will be plowing the streets. When an accumulation of snow is forecasted, please park your vehicles off the streets so the trucks can do a better job of clearing our streets.

Please be aware that Christmas Day and New Year's Day fall on a Tuesday this season. Your trash will be collected on the Wednesdays and yard waste will be collected on the Saturdays following these holidays. If you wish to stop your yard waste collection for the winter, you need to call Waste Connections at 636-321-2100.

As always, the staff of the City of Lakeshire wish your families a very Merry Christmas and a Happy New Year.

Tim

APRIL 2, 2019 MUNICIPAL ELECTIONS

Filing will close at 5:00 p.m. on Tuesday, January 15, 2019. Candidates may file for a two-year term for the following positions: ALDERMAN WARD I, ALDERMAN WARD II and ALDERMAN WARD III and for a one-year term for ALDERMAN WARD III to finish out the term of Alderman Sherod.

Candidates must have the following qualifications:

- Must be at least 18 years old to run for Alderman.
- Must be a registered voter.
- Must be a resident of the City of Lakeshire for one year.
- Must have lived in your Ward for at least 90 days prior to the election, and shall not be in arrears of any city taxes or municipal user fees on the last day to file a Declaration of Candidacy for the Office.

Fall is the time of year that the weather is changing. In the last few years, the weather toward law enforcement has changed throughout our country. Whether that is good or bad is in the eye of the beholder.

Throughout the country there has been an ongoing attitude of resentment, mistrust and an increase in violence toward the people who are there to protect them. In some cases, this is justified, but in most cases, it is not.

EXCEPT in our beautiful City of Lakeshire. As you know, all our officers have either retired from or worked for St. Louis City, St. Louis County or other large municipality police departments. All our officers have special skills to contribute to our police force.

I am reminded every day by at least one of the officers how much they appreciate working for the City of Lakeshire. What a difference in attitude they receive from our citizens. Everyone waves and wants to talk to the officers. Not just about problems, but just friendly conversation. What a change from what is going on outside our city limits.

Attitude is 90% of success. You, as citizens of the City of Lakeshire, have created such a great working environment for your Police Department and the Officers enjoy coming to work each day. This has direct reflection in the lowering of the city's crime rate.

I would personally like to thank everyone that lives in our city for the respect and friendship you give your police officers.

FRAUD PREVENTION: There has been a large amount of phone calls from persons identifying themselves as representatives of the IRS, FBI, Social Security and the Criminal Courts stating that you owe them money.

None of these Government Agencies will ever call you on the phone. They only communicate with you by U. S. Mail. If someone calls you stating they are from one of these agencies, hang up on them immediately. Don't carry on a conversation with them. They are experts at scaring you into sending them money.

ANNUAL REMINDER: When the weather person on TV or radio predicts inclement weather, such as snow and ice, please park our vehicles in your garages and driveways and NOT on the streets. This will allow for the snow plows to clean the streets more efficiently.

If you are traveling during the holidays, please do not forget to fill out and turn in your vacation check forms. We will personally check your residence at least three times a day.

The Lakeshire Officers wish you a Happy Holiday Season...and remember that we are always close.

COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

The City participates in the St. Louis County's Community Development Block Grant Program (CDBG) which is funded through the United States Department of Housing and Urban Development. After January 1, 2019, \$20,000 will again become available for use by eligible, low to moderate income individuals and/or families. Those who meet the eligibility requirements can apply for funds (not to exceed \$5,000) to be used for major items, such as roof, furnace, air conditioner repairs/replacement, foundation work, etc. The program permits a one-time participation per homeowner.

The CDBG Specialist for the South County area is Alexandra Durdello and she can be reached at 314-615-8236. The County will determine if you are eligible for participation and Alexandra can provide more details about the program and the application process.
