

**CITY OF LAKESHIRE
PUBLIC HEARING REGARDING
COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM**

JUNE 10, 2019

The public hearing was called to order at 6:30 p.m. In attendance were: Mayor Seher, Alderman Twellman, Alderman Cowan, Alderman Rhodes, Alderman Zumwalt, Sgt. Tim Sullivan, City Clerk Jill Feltmann, Tiffany Root, Elizabeth Vogel, Keyeonta Stewart and Diana Coleman.

Mayor Seher informed those in attendance that the notice for the public hearing was published in the City of Lakeshire Summer 2019 newsletter that was delivered to all residents of the city by May 24, 2019 through the United States Postal Service and by signs posted at all City of Lakeshire entrances and on the City Hall Bulletin Board.

It was noted that the City of Lakeshire has previously qualified to receive a proposed amount of \$20,000.00 for the 2020 fiscal year and the funds will be available after January 1, 2020. The funds can be used by property owners who meet specific requirements. The maximum amount a property owner may receive is \$5,000.00. These funds are only available once in a lifetime for the homeowners and once per "house". A future owner of that same property would not be allowed to apply for the funds. These funds may be used for a new roof, air conditioner, furnace, structural repairs, ADA ramps, code violation repairs, etc.

Mayor Seher and Alex Durdello are in the process of seeing if the 2017 funds could be donated to "Heat Up St. Louis" to be used by Lakeshire residents who are in need of assistance.

There was a discussion concerning the types of benefits available. The city, as an entity, does not meet the qualifications to benefit directly from the program, but its property owners who meet the CDBG qualifications could benefit from the "Low-to-Moderate Direct Income Benefit – Home Improvement" category. Applications can be obtained from Debby in St. Louis County at 615-4025, who now handles the screening process for the South County area. The phone number was also listed in the City's Summer 2019 newsletter.

The application for the CDBG program for the City of Lakeshire will be completed and filed with St. Louis County by the June 14, 2019 deadline.

It was noted that any property owner receiving funds from the CDBG program must continue to reside in his or her residence for a period of five years. Should the property owner sell his or her residence prior to the expiration of that five-year period, the property owner would then be responsible for partial repayment of the funds advanced by the program. The funds are not available for use in rental property, only for use in owner-occupied dwellings. All are encouraged to take advantage of this program.

This money is Federal money given to the County and passed onto the Cities with very low interest rates.
